Each Unit's share of the working capital fund shall be collected and transferred to the Association at the time of closing of the initial sale of each Unit from Developer and maintained in a segregated fund account for the use and benefit of the Association. Each Unit or any two or more adjoining Units used together shall be used only as a residence, except that, if permitted by applicable zoning ordinances, a professional or quasi-professional Unit Owner or Occupant using a Unit as a residence may also use that Unit as an ancillary or secondary facility to an office established elsewhere. The foregoing restrictions as to residence shall not, however, be construed in such manner as to prohibit an Occupant from (1) maintaining his personal professional library, (2) keeping his personal business or professional records or accounts, or (3) handling telephone calls or correspondence relating to his personal business or profession. Such uses are expressly declared customarily incidental to the principal residential use and not in violation of said restrictions.

Article X INSURANCE

10.01. Obligation to Purchase. Commencing not later than the time of the first (1st) conveyance of a Unit to a person other than the Declarant, the Association shall maintain insurance upon the Condominium Property, to the extent reasonably available, as provided for in the Act and as follows. If the insurance which required to be

maintained is not reasonably available, the Association promptly shall cause notice of that fact to be hand delivered or sent prepaid by United States Mail to all Unit Owners.

10.02. Specified Insurance. Insurance, other than title insurance, that shall be carried on the Property and the Property of the Unit Owners shall be governed by the provisions of this Article. Insurance coverage maintained by the Association pursuant to these provisions is hereafter referred to as "Specified Insurance". Anything to the contrary notwithstanding, all insurance coverage shall be consistent with local and state and federal insurance laws.

10.03. Location of Policies. The Association shall retain the original of all insurance policies for Specified Insurance in a place of safekeeping such as a safe or a safety deposit box and shall provide copies of such policies to Institutional Mortgages requesting such copies.

10.04. Notice of Change in Insurance Coverage. No cancellation or substantial change in the specified insurance provisions, including changes in the amount of coverage, the risks covered, the ratio to value of coverage, or endorsements or other changes in the coverage provisions, may be effected by the Association without at least ten (10) days' written notice to the Association or insurance trustee and each Mortgage Holder named in the mortgage clause, and each holder of a first (1st) mortgage on an individual Unit.

10.05. Qualification of Insurance Company. Each company issuing Specified Insurance must be specifically authorized by the Laws of the State of Alabama to transact such business as is necessary to provide the Specified Insurance.

10.06. Provisions. Insurance coverage as specified and required under this Article shall, in substance and effect:

(1) Provide that the policy will be primary, even if Unit Owner has other insurance that covers the same loss, and further provide that the liability of the insurer shall not claim any right of set-off, counterclaim, apportionment, proration or contribution by reason of any other insurance obtained by or for any Unit Owner.

(2) Contain no provision relieving the insurer from liability for a loss occurring while the hazard to such building is increased, whether or not within the knowledge or control of the Association, or because of any breach of warranty or condition or any other act or neglect by the Association or any Unit Owner or any other persons under either of them.

(3) Provide that such policy may not be canceled or substantially modified (whether or not requested by the Association) except by the insurer giving at least ten (10) days' prior written notice thereof to the Association, the fee owner, each holder of a first (1st) mortgage on an individual Unit, and every other person in interest who shall have requested such notice of the insurer.

(4) Provide that each Unit Owner is an insured person under the policy with respect to liability arising out of the interest of said Unit Owner in the Common Elements or Membership in the Association.

(5) Provide that no act or omission by any Unit Owner, unless acting within the scope of his or her authority on behalf of the Association, will void the policy or be a condition to recovery under the policy.

(6) Contain a waiver by the insurer of any right of subrogation to any right of the Association, or either against the Unit Owner or Member of his or her household or lessee of any Unit; and

(7) Contain a standard mortgage clause which shall:

(a) Provide that any reference to a Mortgagee in such policy shall mean and include all holders of mortgages of any Unit, whether or not named therein; and

(b) Provide that such insurance as to the interest of any Mortgagee shall not be invalidated by any act or neglect of the Association or Unit Owners or any persons under any of them; and

(c) Waive any provisions invalidating such Mortgagee clause by reason of the failure of the Mortgagee to notify that insurer of any hazardous use of vacancy, any requirement that the Mortgagee pay any premium thereon, and any contribution clause.

(8) Any insurance trust agreement will be recognized.

10.07. Named Insured. The named insured on all policies of Specified Insurance shall be the Association, for the use and benefit of the individual Owners. Any "loss payable" clause shall show the Association or other insurance trustee as a trustee for each Unit Owner and the holder of each Unit's Mortgage.

10.08. Property Damage Insurance. The Board of Directors shall secure and maintain in effect a "master" or "blanket" type policy of Property damage insurance providing coverage in an amount not less than the full replacement value of the Common Elements and Limited Common Elements (except land, foundation, excavation or other items usually excluded from coverage) and including coverage for all improvements, fixtures

and personal Property included in the Common Elements and Limited Common Elements. The policy shall cover all of the Common Elements and Limited Common Elements that are normally included in coverage, including but not Limited to, fixtures and Building service equipment and common personal Property and supplies owned by the Association. If required by any mortgage holder or purchaser of any mortgage, the policy shall also cover fixtures, equipment and other personal Property inside individual Units, whether or not the Property is part of the Common Elements. The policy shall include an "Agreed Amount Endorsement" or its equivalent, if available, or an "Inflation Guard Endorsement," if available. If the enforcement of any Building, zoning or land-use law will result in loss or damage, increase costs of repairs or reconstruction, or additional demolition and removal costs, the Association shall require a Building Ordinance or Law Endorsement which must provide for such contingent liability. Such coverage for Property damage insurance shall afford protection against:

- (1) Loss or damage by fire and all other hazards that are normally covered by the standard extended coverage endorsement; and
- (2) Risks as are covered by an all-risk endorsement; and
- (3) Other risks as from time to time shall be customarily covered with respect to Condominium Buildings similar in construction, location and use as the Buildings. The maximum deductible amount is the lessor of Ten Thousand Dollars (\$10,000.00) or one percent (1 %) of the policy face amount. Funds to cover these deductible amounts shall be included in the operating reserve account of the Owner's Association.

10.09. Public Liability Insurance. The Association shall secure and maintain a comprehensive commercial general liability insurance policy, including medical payments insurance, covering all Common Elements, public ways and any other areas that are under the supervision of the Association. The insurance shall also cover commercial spaces that are owned by the Association, even if they are leased to others. The policy should provide coverage for death, bodily injury and property damage arising out of or in connection with the operation, maintenance or use of the Common Elements and, further, any legal liability that results from law suits related to employment contracts in which the Association is a party. Such policy shall provide coverage, in an amount to be determined by the Board of Directors, for bodily injury, including death and property damage for any single occurrence. In no event shall the coverage be in an amount less than One Million Dollars (\$1,000,000.00) for any single occurrence. If the policy does not include "severability of interest" in its terms, the policy shall contain a

specific endorsement to preclude the insurer's denial of a Unit Owner's claim because of negligent acts of the Association or of other Unit Owners. The coverage shall also include protection against water damage liability and, if applicable, elevator collision, garage keep's liability and such other risks as shall customarily be covered with respect to condominium buildings similar in construction, location and use.

10.10. Flood Insurance. If any part of the Project shall be deemed to be in a special flood hazard area, as defined by the Federal Emergency Management Agency, the Association shall maintain a "master" or "blanket" policy of flood insurance and provide for the premiums to be paid as a Common Expense. The policy shall cover the Buildings and any other Property within the designated hazard area. The amount of insurance should be at least equal to the lesser of: (1) one hundred percent (100%) of the current replacement cost of all Buildings and other insurable Property located in the flood hazard area; or (2) the maximum coverage available for the Property under the National Flood Insurance Program. The policy shall be in a form which meets the criterion set forth in the most current guidelines issued on the subject by the Federal Government. The maximum deductible for policies covering the Common Areas and elements is the lesser of Five Thousand Dollars (\$5,000.00) or one percent (1 %) of the policy's face amount. Funds to cover this deductible amount shall be included in the operating reserve account of the Association.

10.11. Personnel Coverages. Should the Association employ personnel, all coverages required by law, including worker's compensation, shall be obtained so as to meet the requirements of the law.

10.12. Fidelity Bonds.

(1) The Board of Directors shall secure and maintain in effect adequate blanket fidelity coverage to protect against loss of money through dishonest acts on the part of officers, directors, employees and all others who handle or are responsible for handling the funds held or administered by the Association, whether or not that individual receives compensation for services, including but not limited to employees or professional managers. Such fidelity bonds shall have their premiums paid as a Common Expense by the Association and shall meet the following requirements:

(a) Fidelity bonds shall name the Association as an insured or obligee.

(b) The bonds shall be written in an amount equal to at least One Hundred Fifty percent (150%) of the estimated annual Common Expenses, including reserves, unless a greater amount is required by a federal governmental agency insuring or purchasing mortgages encumbering Units.

(c) The bonds shall contain waivers of any defense based on the exclusion of persons who serve without compensation from any definition of employee or similar expression.

(d) The bonds shall provide that they may not be canceled or substantially modified (including cancellation for nonpayment of premium) without at least ten (10) days' prior written notice to the Association or insurance trustee and each mortgage holder or servicer that services a Fannie Mae-owned or securitized mortgage in the Condominium Project.

(2) Any management agent that handles funds for the Association shall also be covered by its own fidelity bond which is equal or exceeds the coverage of that bond obtained by the Association.

10.13. Other Coverages. The Association shall obtain all other insurance required by the Act. The Board shall secure other boiler and machinery insurance, directors' and officers' liability insurance and plate glass insurance as the Board deems necessary and shall also have authority to obtain such other insurance as the Board deems desirable, in such amounts, from such sources and in such forms as the Board deems desirable. The premiums for such insurance shall be a Common Expense.

10.14. Individual Responsibilities of Owner. A Unit Owner shall be liable for any claim, damage or judgment entered as a result of the use or operation of his or her Unit caused by the conduct of said Unit Owner. Each Unit Owner shall be responsible for obtaining insurance on the contents of his or her own Unit and the contents of any Limited Common Elements serving his or her Unit, as well as additions and improvements thereto, decorations, furnishings and personal property therein, and personal property stored elsewhere on the property.

10.15. Premiums. Premiums for insurance maintained by the Association shall be paid by the Association as a Common Expense. Should the Association fail to pay such premiums when due, or should the Association fail to comply with other insurance requirements of the Mortgage Holder, the Mortgage Holder shall have the right, at the option of the Mortgage Holder, to order insurance policies and to advance such sums as are

required to maintain or procure such insurance. To the extent of any money so advanced, the Mortgage Holder shall be subrogated to the assessment and lien rights of the Association as against the individual Unit Owners for the payment of such item of Common Expense.

10.16. Association as Agent. All insurance policies purchased by the Association shall provide that all proceeds covering property losses shall be paid to the Association, for the benefit of the Association and the Unit Owners and their mortgages as their interest may appear and as contemplated in this Declaration. The Association is hereby irrevocably appointed agent with full power of substitution, for each Unit Owner and for each Unit Owner and for each Owner of any other insured interest in the Property. The Association shall have power to adjust all claims arising under insurance policies purchased by the Association; to bring suit thereon in its name and/or in the name of other insured; to deliver releases on payment of claims; to compromise and settle such claims; and otherwise to exercise all of the rights, powers and privileges of the Association and each Unit Owner or any other holder of an insured interest in the Property under such insurance policies. However, the actions of the Association shall be subject to the approval of any first Mortgagee if the claim shall involve more than one (1) Unit, and if only one (1) Unit is involved, such actions shall be subject to the approval of any first (1ST) Mortgagee holding a mortgage encumbering such Unit.

10.17. Share of Proceeds. The Association shall receive such insurance proceeds as are paid to the Association and shall hold the same in trust for the purposes stated herein and for the benefit of the Unit Owners and their mortgages in the following shares:

(1) Common Elements. An undivided share of the proceeds on account of damage to Common Elements shall be held for each Unit Owner, with such share's portion of the total proceeds being the same fraction as the share of the Common Elements appurtenant to his or her Unit as set forth in EXHIBIT "C".

(2) Units and Limited Common Elements. Except as provided in this Declaration, proceeds on account of damage to Units and Limited Common Elements shall be held in the following undivided shares:

(a) When the Condominium Property is to be restored, the proceeds shall be held for the Unit Owners of damaged Units and damaged Limited Common Elements with the share of each in the total proceeds being in the proportion that the cost of repairing the damage suffered by such Unit Owner bears to the total cost of repair, which costs shall be determined by the Board.

(b) When the Condominium Property is not to be restored, the proceeds shall be held for the Unit Owners in undivided shares that are the same as their respective shares of the Common Elements as set forth in EXHIBIT "C".

(3) Mortgagees. In the event a Mortgagee endorsement has been issued with respect to a Unit, the share of the Owner of that Unit shall be held in trust for the Mortgagee and the Unit Owner as their interests may appear; provided, however, that no Mortgagee shall have any right to determine or participate in the determination whether or not any damaged property shall be reconstructed or repaired except as may be specifically provided to the contrary in this Declaration.

10.18. Distribution of Proceeds. Proceeds of insurance policies received by the Association shall be distributed to or for the benefit of the beneficial Owners in the following manner:

(1) Reconstruction or Repair. First, if the damage for which the proceeds are paid is to be repaired or reconstructed, the remaining proceeds shall be paid to defray the cost thereof. Any proceeds remaining after defraying such costs shall be distributed to the beneficial Owners, with remittances to Unit Owners and Mortgages being payable jointly to them. This is a covenant for the benefit of any Mortgagee of a Unit and may be enforced by any such Mortgagee.

(2) Failure to Reconstruct or Repair. If it is determined that the damage for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be distributed to the beneficial Owners, with remittances to Unit Owners and their Mortgagee being payable jointly to them. This is a covenant for the benefit of any Mortgagee of a Unit and may be enforced by any such Mortgagee.

10.19. Individual Insurance. Nothing contained in this Declaration shall be construed to prevent a Unit Owner from obtaining insurance for his or her own benefit.

Article XI RECONSTRUCTION AND REPAIR/DEVELOPER'S RIGHT TO CURE ALLEGED DEFECTS

11.01. Responsibility. In the event of damage or destruction, and if the damage is only to those parts of Units for which the responsibility of maintenance and repair is that of the respective Unit Owners, then those Unit Owners shall be responsible for reconstruction and repair after casualty. In all other instances the responsibility of reconstruction and repair after casualty shall be that of the Association.

11.02. Determination to Reconstruct or Repair. Any portion of the Condominium for which insurance is required under this Declaration which is damaged or destroyed must be repaired or replaced promptly by the Association unless:

- (1) The Condominium is terminated in accordance with the Act;
- (2) Repair or replacement would be illegal under any state or local statute or ordinance covering health or safety; or
- (3) Eighty percent (80%) of the Unit Owners, including every Owner of a Unit or assigned Limited Common Elements which will not be rebuilt, vote not to rebuild. The cost of repair or replacement of a Common Elements in excess of insurance proceeds in reserves is a Common Expense as provided in this Declaration.

11.03. Plans. Any reconstruction or repair must be substantially in accordance with the Act and in accordance with the Plans for the original improvements or as the Condominium Property was last constructed; or if not, then according to Plans approved by the Board of Directors of the Association and by One Hundred percent (100%) of the Unit Owners.

11.04. Estimate of Cost. When the Association shall have the responsibility of reconstruction or repair, prior to the commencement of reconstruction and repair the Association shall obtain reliable and detailed estimates of the cost to repair or rebuild.

11.05. Assessments If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair of the Unit and Limited Common Elements by the Association, assessments shall be made against the Unit Owners who own the damaged property or have the exclusive right to use the Limited Common Elements attached to his or her Unit, and against all Unit Owners in the case of damage to Common Areas and facilities in sufficient amounts to provide funds to pay the estimated costs. If at any time during reconstruction and repair, or upon completion of reconstruction and repair, the funds for payment of the costs thereof are insufficient, assessments shall be made against the Unit Owners who own the damaged Unit and have exclusive right to use the Limited Common Elements attached to his Unit, and against all Unit Owners in the case of damage to Common Areas and facilities in sufficient amounts to provide funds for the payment of such costs. Such assessments against Unit Owners for reconstruction and/or repair of damage to Units and Limited Common Elements shall be in

proportion to the cost of reconstruction and repair of their respective Units or Limited Common Elements. Such assessments for reconstruction and/or repair of damage to Common Areas and facilities shall be in proportion to the Owner's share in the Common Elements. assessments for reconstruction and repair may be collected, and the collection enforced, in the same manner as provided for assessments elsewhere in this Declaration.

11.06. Construction Funds. The funds for the payment of costs for reconstruction and repair after casualty for which the Association is responsible, which shall consist of the proceeds of insurance held by the Association and funds collected by the Association from assessments and special assessments against Unit Owners, shall be disbursed in payment of such costs in the following manner:

(1) Damage. The construction fund shall be disbursed in payment of such costs on the order of and in the manner provided by the Board.

(2) Unit Owner. If there is a balance of insurance proceeds after the payment of the cost of reconstruction and repair that are the responsibility of the Association, this balance shall be distributed to Unit Owners of damaged Units or damaged Limited Common Elements who are responsible for the reconstruction and repair of the damaged portions of their Units or Limited Common Elements. The distribution of each Unit Owner shall be made in the proportion that the estimated costs of reconstruction and repair of such damage to his or her Unit or Limited Common Elements bears to the total of such estimated costs in all damaged Units and Limited Common Elements. However, no Unit Owner shall be paid an amount in excess of such estimated cost for his Unit or Limited Common Elements. If there is a first (1st) Mortgagee, the distribution shall be paid to the Unit Owner and to the first (1st) Mortgagee jointly.

(3) Surplus. It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs of the reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial Owners of the fund.

11.07 Developer's Right to Cure Alleged Defects. Due to the complex nature of construction and the subjectivity involved in evaluating such quality, disputes may arise as to whether a defect exists and Developer's responsibility therefor. It is Developer's intent to resolve all disputes and claims regarding "Alleged Defect" (as

defined below) amicably, and without the necessity of time-consuming and costly litigation. Accordingly, the Association, Directors and all Unit Owners shall be bound by the following claim resolution procedure:

A. Developer's Right to Cure. In the event that the Association, Board or any Unit Owner or Unit Owners (collectively "Claimant") claim, contend or allege that any portion of the Condominium, including, without limitation, the Common Elements, any Unit, and/or any improvements constructed on the Condominium, are defective or that Developer or its agents, consultants, contractors or subcontractors (collectively "Developer's Agents") were negligent in the planning, design, engineering, grading, construction or other development thereof (collectively an "Alleged Defect"), Developer hereby reserves the right to inspect, repair and/or replace such Alleged Defect as set forth herein.

B. Notice to Developer. In the event that a Claimant discovers any Alleged Defect, Claimant shall, within a reasonable time after discovery, notify Developer, in writing, at such address as Developer may from time to time provide to the Association, or such other address at which Developer maintains its principal place of business, of the specific nature of such Alleged Defect ("Notice of Alleged Defect").

C. Right to Enter, Inspect, Repair and/or Replace. Within a reasonable time after the receipt by Developer of a Notice of Alleged Defect or the independent discovery of any Alleged Defect by Developer, Developer shall have the right, upon reasonable notice to Claimant and during normal business hours, to enter onto or into, as applicable, the Common Elements, any Unit, and/or any improvements or other portion of the Condominium for the purposes of inspecting and, if deemed necessary by Developer, repairing and/or replacing such Alleged Defect. In conducting such inspection, repairs and/or replacement, Developer shall be entitled to take any actions as it shall deem reasonable and necessary under the circumstances.

D. Legal Actions. No Claimant shall initiate any legal action, cause of action, proceeding, reference or arbitration against Developer alleging damages (i) for the costs of repairing or the replacement of any Alleged Defect, (ii) for the diminution in value of any real or personal property resulting from such Alleged Defect, or (iii) for any consequential damages resulting from such Alleged Defect, unless and until Claimant has (1) delivered to Developer a Notice of Alleged Defect and (2) Developer has, within ninety (90) days after its receipt of such Notice of Alleged Defect, either (1) failed to repair or replace such Alleged Defect or (2) if such Alleged

Defect cannot reasonably be repaired or replaced within such ninety (90) day period, failed to commence such repair or replacement of the Alleged Defect and, thereafter, failed to pursue diligently such repair or replacement to completion.

E. No Additional Obligations; Irrevocability and Waiver of Right. Nothing set forth in this Paragraph 15 shall be construed to impose any obligation on Developer to inspect, repair, or replace or pay for any item or Alleged Defect for which Developer is not otherwise obligated to do under applicable law or the Purchase and Sale Agreement or other contract. The right of Developer to enter, inspect, repair and/or replace reserved hereby shall be irrevocable and may not be waived or otherwise terminated except by a writing, in recordable form, executed and recorded by Developer in the Public Records of the Clerk of Court. This provision does not create any warranties, express or implied, on the part of the Developer or the Association.

Article XII TERMINATION

The termination of the Condominium may be effected in accordance with the provisions of the Act and by the agreement of Unit Owners of Units to which ninety percent (90%) of the votes in the Association are allocated, and in the case of termination for reasons other than substantial destruction or condemnation of the Property, by eligible mortgage holders (as defined in By-Laws and this Declaration) that represent at least sixty-seven percent (67%) of the votes of the mortgaged Units. The agreement shall be evidenced by a written instrument executed in the manner required for conveyance of land, and recorded in the public records of Baldwin County, Alabama. After termination of the Condominium, the Unit Owners shall own the Condominium Property and all assets of the Association as tenants in common in undivided shares.

Article XIII EMINENT DOMAIN/CONDEMNATION

13.01. Determination Whether to Continue Condominium. The taking of a portion of a Unit or of the Common Elements by eminent domain shall be deemed to be a casualty and the determination as to whether the Condominium will be reconstructed or repaired or continued after condemnation will be determined in the manner provided for in the Act and under the provisions of this Declaration pertaining to reconstruction and repair after casualty losses.

13.02. Proceeds. The proceeds and awards for such taking shall be deemed proceeds from insurance on account of the casualty and shall be deposited with the Association as Insurance Trustee. Even though the awards may be payable to a Unit Owner, the Unit Owner shall deposit the awards with the Association as Insurance Trustee; and in the event of failure to do so, in the discretion of the Board of Directors of the Association an Assessment shall be made against a defaulting Unit Owner in the amount of his or her award, or the amount of such award shall be set off against the sums hereafter made payable to such Unit Owner.

13.03. Disbursement of Funds. If the Condominium is terminated after condemnation, the proceeds of the condemnation awards will be deemed to be insurance proceeds and shall be owned and distributed in the manner provided in this Declaration for the distribution of insurance proceeds if the Condominium is terminated after damage to the Common Elements. If the Condominium is not terminated after condemnation, the size of the Building will be reduced and the Property damaged by the taking will be made usable in the manner provided below. The proceeds of said awards shall be disbursed in the manner provided for disbursement of funds by the Association after damage to the Common Elements.

13.04. Unit Reduced but Habitable. If the taking reduces the size of a Unit and the remaining portion of the Unit can be made habitable, the award for the taking of a portion of the Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium:

(1) Restoration of Unit. The Unit shall be made habitable. If the cost of the restoration exceeds the amount of the award, and the Owner of the Unit does not within a reasonable period of time provide the additional funds required for restoration, such additional funds may, in the discretion of the Board of Directors, be expended for restoration by the Association and be assessed against the Unit Owner as a Special Assessment.

(2) Distribution of Surplus. The balance of the award, if any, shall be distributed to the Owner of the Unit and to the holder of any Mortgage encumbering the Unit, the remittance being made payable jointly to the Owner and any such Mortgagee.

(3) Adjustment of Shares in Common Elements. If the floor area of the Unit is reduced by the taking, the fraction representing the share in the Common Elements, the Common Expenses and the Common Surplus appurtenant to the Unit shall be reduced in accordance with the provisions of the Act.

13.05. Unit Made Uninhabitable. If the taking is of the entire Unit, or so reduces the size of a Unit that is cannot be used practically or lawfully for any purpose permitted by the Declaration, the award for the taking of the Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium:

(1) Payment of Award. The award shall be paid first to any Mortgagee in an amount sufficient to pay off its mortgage on such Unit; and then jointly to the Unit Owner and other Mortgages of the Unit in an amount not to exceed the market value of the Condominium Parcel immediately prior to the taking as diminished by any sums from the award previously reserved for any Mortgagee; and the balance, if any, to the repairing and replacing of the Common Elements damaged by the taking.

(2) Addition to Common Elements. The remaining portion of the Unit, if any, shall become part of the Common Elements and shall be placed in condition for use by all of the Unit Owners in the manner approved by the Board of Directors; provided that if the cost of the work shall exceed the balance of the fund from the award for the taking, the work shall be approved in the manner elsewhere required in this Declaration for further improvement of the Common Elements.

(3) Adjustment of Shares in Common Elements, Common Expenses and Common Surplus. The shares in the Common Elements, the Common Expenses and the Common Surplus appurtenant to the Units that continue as part of the Condominium shall be adjusted to distribute the Ownership of the other shares among the reduced number of Unit Owners. This adjustment shall be done by restating said share of the continuing Unit Owners as percentages aggregating one hundred percent (100%) so that the shares appurtenant to the Units of the continuing Owners shall be in the same proportions to each other as before the adjustment.

(4) Assessments. If the balance of the award (after payments to the Unit Owner and such Owner's Mortgages as above provided) for the taking is not sufficient to finance the alteration of the remaining portion of the Unit for use as a part of the Common Elements, the additional funds required for such purposes shall be raised by Special assessments against all of the Unit Owner who will continue as Owners of Units after the changes in the Condominium effected by the taking. Such Special assessments shall be made in proportion to the shares of those Owners in the Common Elements after the changes in the Condominium effected by the taking.

(5) Arbitration. If the market value of a Condominium Parcel prior to the taking cannot be determined by agreement among the Unit Owner, Mortgages of the Unit and the Association within thirty (30) days after notice by either party, the value shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two (2) appraisers appointed by the American Arbitration Association who shall base their determination on an average of their appraisals of the Condominium Parcel; and a judgment of specific performance on the decision rendered by the arbitrators may be entered in any court of competent jurisdiction. The cost of arbitration proceedings shall be assessed against all Owners of Units prior to the taking in proportion to the shares of the Owners in the Common Elements as they exist prior to the changes effected by the taking.

13.06. Taking of Common Elements. Awards for the taking of Common Elements shall be used to make the remaining portion of the Common Elements usable in the manner approved by the Board of Directors; provided that if the cost of the work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the manner required elsewhere in this Declaration for further improvement of the Common Elements. The balance of the awards for the taking of the Common Elements, if any, shall be distributed to the Unit Owners in the shares in which they own the Common Elements, after adjustment of these shares on account of the condemnation, except that if a Condominium Parcel is encumbered by a Mortgage, the distribution shall be paid jointly to the Owner and the Mortgagee of the Condominium Parcel.

13.07. Conflict With Act. If there is any conflict with the provisions of this Article and the Act, the provisions of the Act shall control.

Article XIV PURCHASE OF CONDOMINIUM PARCEL BY ASSOCIATION

14.01. Decision. The decision of the Association to purchase a Condominium Parcel shall be made by the Board of Directors without the approval of the Members except as provided in this Article.

14.02. Limitation. If at any time the Association is already the Owner of or has agreed to purchase one (1) or more Condominium Parcels, the Association may not purchase any additional Condominium Parcel without the prior written approval of seventy-five percent (75%) of the Members eligible to vote thereon, except as provided in this Article. A Member whose Condominium Parcel is the subject matter of the proposed purchase shall be ineligible to vote thereon. Notwithstanding the foregoing, however, the foregoing limitation shall not apply to

Condominium Parcels either to be purchased at a public sale resulting from a foreclosure of the Association's lien for delinquent assessments, Special assessments, or both, where the bid of the Association does not exceed the amount found due the Association, or to be acquired by the Association in lieu of foreclosure of such lien if the consideration therefor does not exceed the cancellation of such lien. In any event, the Board of Directors or a designee thereof, Acting on behalf of the Association, may only purchase a Condominium Parcel in accordance with this Article, or as the result of a sale pursuant to the foreclosure of (i) a lien on the Condominium Parcel for unpaid taxes; (ii) the lien of a mortgage; (iii) the lien for unpaid assessments, Special assessments or both; or (iv) any other judgment lien or lien attaching to such Condominium Parcel by operation of law.

Article XV NOTICE OF LIEN OR SUIT

15.01. Notice of Lien. A Unit Owner shall give notice in writing to the Secretary of the Association of every lien on his or her Condominium Parcel, other than liens for Mortgages, taxes and Special assessments, within five (5) days after he or she learns of the attaching of the lien.

15.02. Notice of Suit. A Unit Owner shall give notice in writing to the Secretary of the Association of every suit or other proceeding that may affect the title to his or her Condominium Parcel, with such notice to be given within five (5) days after the Unit Owner obtains knowledge thereof.

15.03. Failure to Comply. Failure to comply with this Section will not affect the validity of any judicial proceeding.

Article XVI RULES AND REGULATIONS

16.01. Compliance. Each Unit Owner and the Association shall be governed by and shall comply with the terms of the Condominium Documents and the Rules and Regulations applicable to the Condominium Property. Ownership of a Unit subjects the Unit Owner to compliance with provisions of the Declaration, the Articles, the By-Laws, the Rules and Regulations of the Association, and any contract which the Association is a party, as well as to any amendments to any of the foregoing. Failure of the Unit Owner to comply therewith shall entitle the Association or other Unit Owners to an Action for damages or injunctive relief, or both, in addition to other remedies provided in the Condominium Documents and the Condominium Act.

16.02. Enforcement. The Association, through the Board of Directors, is hereby empowered to enforce the Condominium Documents and all Rules and Regulations of the Association by such means as are provided by the Laws of the State of Alabama, including the imposition of reasonable fines (after reasonable notice and opportunity to be heard) from time to time as set forth in the By-Laws. In the event a Unit Owner fails to maintain his or her Unit in the manner required in the Condominium Documents and any Rules and Regulations of the Association, the Association, through the Board of Directors, shall have the right to assess the Unit Owner and the Unit for the sums necessary to do the work required to effect compliance and to collect, and enforce the collection of a Special Assessment therefore as provided in this Declaration. In addition, the Association shall have the right, for itself and its employees and agents, to enter such Owner's Unit and perform the necessary work to effect compliance.

16.03. Negligence. A Unit Owner shall be liable for the expense of any maintenance, repair or replacement rendered necessary by his Act, neglect or carelessness or by that of any Member of the Unit Owner's family, his or her lessees, or his or their guests, invitees, employees or agents, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association. Such liability shall include any increase in fire and casualty insurance rates occasioned by the use, misuse, occupancy or abandonment of a Unit, or the Common Elements or the Limited Common Elements. The liability for such increases in insurance rates shall equal five (5) times the first resulting increase in the annual premium rate for such insurance.

16.04. No Waiver of Rights. The failure of the Association or any Unit Owner to enforce any covenant, restriction or other provision of the Condominium Act, the Condominium Documents, or any Rules and Regulations adopted pursuant thereto shall not constitute a waiver of the right to do so.

Article XVII GENERAL PROVISIONS PERTAINING TO MORTGAGES

17.01. Lender's Notices. Upon written request to the Association, identifying the name and address of the holder, insurer or guarantor and the Unit number or address, any mortgage holder, insurer or guarantor will be entitled to timely written notice of:

Any Unit included under the lien of such mortgage may be sold or otherwise conveyed or transferred subject thereto. Any such mortgage shall provide a method whereby any Unit Owner may obtain a release of his Unit from the lien of such Mortgage and a satisfaction and discharge in recordable form upon payment to the holder of the Mortgage of a sum equal to the reasonable proportionate share attributable to his Unit of the then outstanding balance of unpaid principal and accrued interest, and any other charges then due and unpaid. The proportionate share of the Mortgage required to be paid for release shall be determined by provisions pertaining thereto stated in the Mortgage, or, if the Mortgage contains no such provisions, then according to the proportionate share of the Common Elements of the Condominium attributable to such Unit or Units.

Article XVIII COVENANT AGAINST PARTITION

There shall be no judicial or other partition of the Condominium Property or any part thereof, nor shall Developer or any person acquiring any interest in the Property or any part thereof seek any such partition unless the Property has been removed from the provisions of the Act.

Article XIX AMENDMENT OF THE DECLARATION

19.01. Notice. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is to be considered.

19.02. Adoption. Except in the cases where this Declaration may be amended by the Developer/Declarant under the terms hereof or the Act, the Declaration may be altered, amended or appealed or a new Declaration may

- restoration or repair of the project (after damage or partial condemnation) in a manner other than that specified in the Documents; or
- any provisions that expressly benefit mortgage holders, insurers or guarantors.

Implied consent and approval may be assumed when an eligible Mortgagee fails to submit a response to any written proposal for an amendment within thirty (30) days after it receives proper notice of the proposal, provided the notice was delivered by certified or registered mail, "return receipt" requested.

19.03. Prohibited Amendments. ARTICLE XI
FISCAL MANAGEMENT

11.01. Fiscal Year. The fiscal year of the Association shall be such as shall from time to time be established by the Association.

11.02. Annual Budget. The Board of Directors shall adopt a budget for each fiscal year in accordance with the Act. The annual budget of the Association shall be detailed and shall show the amounts budgeted by accounts and expense classifications. Expenses shall be estimated for each category and item of the Common Expenses. The budget shall also include reserve accounts for capital expenditures, deferred maintenance, reserves and contingencies. The amount reserved shall be computed by means of a formula that is based on the estimated life and estimated replacement cost of each reserve item. The budget shall also set forth each Unit Owner's proposed Assessment for Common Expenses. Copies of the budget and proposed Assessments shall be transmitted to each Member in accordance with the Act.

11.03. Adoption of the Annual Budget. The Board of Directors shall prepare or cause to be prepared a proposed annual budget for each fiscal year of the Association. Within thirty (30) days after adoption of any proposed budget for the Condominium, the Board of Directors shall provide a copy of the budget to all Unit Owners, and shall set a date for a meeting of the Unit Owners to consider ratification of the budget not less than fourteen (14) days nor more than thirty (30) days after delivery or mailing of the proposed budget to the Unit Owners. Unless at that meeting a majority of all the Unit Owners present in person or by proxy reject the budget, the budget is ratified, whether or not a quorum is present. In the event the proposed budget is rejected, the periodic budget last ratified by the Unit Owners shall be continued until such time as the Unit Owners ratify a subsequent budget proposed by the Board of Directors. The Board of Directors shall furnish copies of the final annual budget to each Unit Owner within thirty (30) days after the adoption.

11.04. Assessments. Assessments for Common Expenses shall be made in accordance with the Declaration, the Act and these By-Laws. Assessments shall be collected by the Association on a monthly basis as follows: On or before the first (1st) day of each month of the fiscal year for which the Assessments are made, each Unit Owner shall pay one-twelfth (1/12th) of his share of the Common Expenses for such year as shown by the annual budget. The assessments of the Common Expenses shall be as set forth in the Declaration, but the yearly assessment for Common Expenses each Unit Owner shall be in proportion to his or her respective ownership

interests in the Common Elements. The Board of Directors may cause to be sent to each Unit Owner, on or before the first (1st) day of each month, a statement of the monthly Assessment. However, the failure to send or receive such monthly statement shall not relieve the Unit Owner of his or her obligation to make timely payment of the monthly Assessment. If the Board of Directors shall not approve an annual budget or shall fail to determine new monthly Assessments for any year, or shall be delayed in doing so, each Unit Owner shall continue to pay the amount of his or her monthly Assessment as last determined. No Unit Owner shall be relieved of his obligation to pay his or her Assessment by abandonment of his or her Unit or lack of use of the Common Elements or Limited Common Elements. The collection for Assessments shall begin at such time as the first (1st) Unit is conveyed by the Developer.

11.05. Reserves for Replacements. The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Elements and those Limited Common Elements which the Association may be obligated to maintain. The fund shall be maintained out of regular Assessments.

11.06. Depository. The depository of the Association shall be such bank or banks and/or savings and loan associations as shall be designated from time to time by the Directors and in which monies of the Association shall be deposited. Withdrawal of monies from such account shall be only by checks signed by such persons as are authorized by the Directors.

11.07. Lien for Expenses. If any Unit Owner shall fail or refuse to make any payment of the Common Expenses or other Assessment or fine imposed against the Unit Owner when due, the amount due, together with costs, reasonable attorney's fees, and interest thereon at the maximum percentage rate as may then be permitted under the Laws of the State of Alabama, from and after the date said Common Expenses or other Assessments or fines become due and payable in accordance with applicable law, shall constitute a lien on the interest of the Unit Owner in the Property.

11.08. Priority of Lien. Any lien of the Owners Association shall be the subject to the rules of priority as stated in the Declaration and other applicable state laws.

11.09. Acceleration of Assessment Installments. In accordance with the provisions of the Act, if an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment

thereof becomes due.

11.10. Default.

(1) In the event a Unit Owner does not pay any sums, charges or Assessments required to be paid to the Association within thirty (30) days from the due date, the Association may foreclose the lien encumbering the Unit created by non-payment of the required moneys in the same fashion as mortgage liens on real estate are foreclosed; provided that thirty (30) days prior notice of the intention to foreclose shall be mailed, postage prepaid, to the Unit Owner and to all persons having a mortgage lien or other interest of record. The Association shall be entitled to the appointment of a Receiver, if it so requests. The Association shall have the right to bid in the Unit at a foreclosure sale and to acquire, hold, mortgage and convey the same. In lieu of foreclosing its lien, the Association may bring suit to recover a money judgment, brought by or on behalf of the Association against a Unit Owner, and the losing defendant shall pay the cost thereof, together with a reasonable attorney's fee.

(2) If the Association becomes the Owner of a Unit by reason of foreclosure, the Association shall offer said Unit for sale and at such time as a sale is consummated it shall deduct from such proceeds all sums of money due it for monthly Assessments and charges, all costs incurred in the bringing of the foreclosure suit, including reasonable attorney's fees, and any and all expenses incurred in the re-sale of the Unit, which shall include but not be limited to advertising expenses, real estate brokerage fees, abstract or title insurance costs, and expenses necessary for the repairing and refurbishing of the Unit in question. All moneys remaining after deducting the foregoing items of expenses shall be returned to the former Owner of the Unit in question.

11.11. Supplemental Assessments. If during the course of any fiscal year, it shall appear to the Board of Directors that the monthly Assessments, as determined in the annual budget, are insufficient or inadequate to cover the estimated Common Expenses for the remainder of such year, then the Board of Directors shall prepare and approve a supplemental budget covering the estimated deficiency. Copies of the supplemental budget shall be delivered to each Unit Owner, and thereupon a supplemental Assessment shall be made to each Unit Owner for his or her proportionate share of the supplemental budget.

11.12. Annual Statement. Within sixty (60) days after the end of each fiscal year, the Board of Directors shall cause to be furnished to each Unit Owner, a statement for the year so ended showing the receipts and expenditures of the Association, and such other information as the Board of Directors may deem desirable. If the

condominium consists of fifty (50) or more Units, the Association shall make an audited statement for the preceding fiscal year (if the project has been established for a full fiscal year) available to the holder, insurer or guarantor of any first (1st) mortgage that is secured by a Unit in the Condominium on submission of a written request for it. Said audited financial statement shall be available within one hundred twenty (120) days of the Owners' Association fiscal year end. If the Condominium consists of fewer than fifty (50) Units and there is no audited statement available, the Project documents must allow any mortgage holder to have an audited statement prepared at its own expense.

11.13. Accounting Records. The Association shall keep financial records sufficiently detailed to enable the Association to comply with the requirements of the Act. The Board of Directors shall cause to be kept, in accordance with generally accepted accounting principles, a record of all receipts and expenditures; and a separate account for each Unit showing the Assessments or other charges due, the due dates thereof, the present balance due, and any interest in common surplus. Such records shall be open to inspection by Unit Owners and their authorized agents at reasonable times.

11.14. Information. The Association shall be required to make available to Unit Owners, lenders, and to holders, insurers or guarantors of any first (1st) mortgage, current copies of the Declaration, By-Laws or other Rules and Regulations concerning the Project, and the books, records and financial statements of the Association. "Available" means available for inspection, upon request, during normal business hours or under other reasonable circumstances. In addition to the above, any holder of a first mortgage is entitled, upon written request, to a financial statement for the immediately preceding fiscal year.

11.15. Fidelity Bonds. Fidelity bonds shall be required by the Board of Directors from all officers and employees of the Association and from any manager handling or responsible for Association funds and from any employee, agent or subcontractor of a manager handling or responsible for Association funds. The amount of such bonds shall be determined by the Directors, but shall be at least the amount of one hundred fifty percent (150%) of the total annual Assessments against Members for recurring expenses. The premiums on such bonds shall be paid by the Association.

11.16. Lender's Notices. Upon written request to the Owners Association, identifying the name and address of the holder, insurer or guarantor and the Unit number of address, any mortgage holder, insurer, or

guarantor will be entitled to timely written notice of:

- (a) Any condemnation or casualty loss that affects either a material portion of the Project or the Unit securing its mortgage.
- (b) Any sixty (60) day delinquency in the payment of Assessments or charges owed by the Owner of any Unit on which it holds the mortgage.
- (c) A lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Owner's Association.
- (d) Any proposed action that requires the consent of a specified percentage of mortgage holders.

ARTICLE XII OWNER OBLIGATIONS AND COVENANTS

12.01. Assessment. Every Owner of a Unit in the Condominium shall contribute pro rata toward the expense of administration, maintenance, alteration, repair and improvement of the Condominium, as provided in the Articles, the Declaration or these By-Laws. Each Assessment against a Unit shall also be the personal obligation of the Owner at the time the Assessment fell due. Such personal obligation shall not pass to successors in title unless assumed by such successors, or required by applicable law.

12.02. Maintenance and Repair. Every Owner of a Unit in the Condominium shall promptly perform all maintenance and repair work, as provided for in the Articles of Incorporation, the Declaration or these By-Laws. An Owner shall reimburse the Association for any expenditures incurred in repairing or replacing any Common Areas or facilities damaged through the Owner's fault.

12.03. Use. The Condominium Property shall be utilized in accordance with the provisions of the Declaration, these By-Laws and the Rules and Regulations of the Association.

ARTICLE XIII RULES AND REGULATIONS

13.01. Rules and Regulations. The Board of Directors may from time to time adopt, modify, amend or add to the Rules and Regulations concerning the use of the Condominium Property; provided, however, that a majority of the Members may overrule the Board of Directors with respect to any such rules and regulations or modifications thereof or any amendments or additions thereof. Copies of such Rules and Regulations, or any amendments, additions or modifications, shall be delivered to each Unit Owner not less than fourteen (14) days

prior to the effective date thereof. No Rule or Regulation that is in conflict with the Condominium Documents shall be adopted.

ARTICLE XIV AMENDMENTS TO THE BY-LAWS

14.01. Notice. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is to be considered.

14.02. Adoption. Except in the cases where this document may be amended by Developer/Declarant under the terms hereof or the Act, By-Laws may be altered, amended or appealed or new By-Laws may be adopted by the affirmative vote or agreement of Unit Owners or Units to which at least sixty seven percent (67%) of the votes in the Association are allocated. In addition, amendments of a material nature (as defined below) must be agreed to by eligible mortgage holders (as defined below) who represent at least fifty one percent (51%) of the votes of Unit that are subject to mortgages held by eligible holders. Eligible mortgage holders are those holders of a first(1st) mortgage on a Unit who have submitted a written request that the Owners' Association notify them on any proposed action requiring the consent of a specific percentage of eligible mortgage holders. Amendments of a material nature include a change to any of the provisions governing the following:

- voting rights;
- increases in Assessments that raise the previously assessed amount by more than twenty-five percent (25%), Assessment liens, or the priority of assessment liens;
- reductions in reserves for maintenance, repair and replacement of Common Elements;
- responsibility for maintenance and repairs;
- reallocation of interests in the general or Limited Common Elements, or rights to their use;
- redefinition of any Unit boundaries;
- convertibility of Units into Common Elements or vice versa;
- Expansion or contraction of the project, or the addition, annexation or withdrawal of property to or from the project;
- hazard or fidelity insurance requirements;
- imposition of any restrictions on the leasing of Units;
- imposition of any restrictions on the right of a Unit Owner to sell or transfer his or her unit;

- a decision by the Owners' Association of a project that consists of fifty (50) or more Units to establish self-management if professional management had been required previously by the project documents or by an eligible mortgage holder;
- restoration or repair of the project (after damage or partial condemnation) in a manner other than that specified in the documents; or
- any provisions that expressly benefit mortgage holders, insurers, or guarantors.

Implied consent and approval may be assumed when an eligible mortgage holder fails to submit a response to any written proposal for an amendment within thirty (30) days after it receives proper notice of the proposal, provided the notice was delivered by certified or registered mail, with a "return receipt" requested.

14.03. Prohibited Amendments. No amendment may be adopted that would eliminate, modify, prejudice, abridge, or otherwise adversely affect any rights, benefits, privileges, or priorities granted to the Developer without the consent of the Developer. No amendment that is in conflict with the Articles of Incorporation, the Declaration or the Act shall be adopted.

14.04. Recording. Any amendment shall become effective when recorded in the Office of the Judge of Probate of Baldwin County, Alabama, in accordance with the Act.
